Tips for a SUCCESSFUL wedding day at Studio 412 Salon & Spa

- Please plan carefully the times of your appointments. Give yourself some extra time.
- Show up on time!!! This includes your wedding party as well as yourself. Do you really want a hairstylist to have to "rush" on your wedding day?? If you show up 15 minutes late...we can't take fifteen minutes off the appointment following yours.
- Use your "trial run" on the day of your wedding photos, shower, etc.

Thank you for choosing Studio 412 to make your "special day" perfect in every way!
